De medicamentorum purgantium delectu, castigatione, & vii, Libri duo.  
Quorum priorem Canones vniuersales, posteriorem de  
SIMPLICIBVS vocant.

GRABADIN, hoc est Compendij secretorum medicamentorum, Libri duo.  
Quorum prior ANTIDOTARIUM: posterior de Appropriatis vulgo inscribitur.

Cum MUNDINI, HONESTI, MANARDI, & SYLVII in tres priores libros  
obseruationibus, quæ vulgo cum his prodire consueverunt.

**His Accessere**

PLANTARVM in libro Simplicium descriptarum imagines ex viuo expressæ.

Atque item IOANNIS COSTÆI Annotationes, tum quas in editione priori dedimus,  
tum præterea nouæ aliæ in postremas nouem Antidotarij sectiones, quæ desiderabantur.

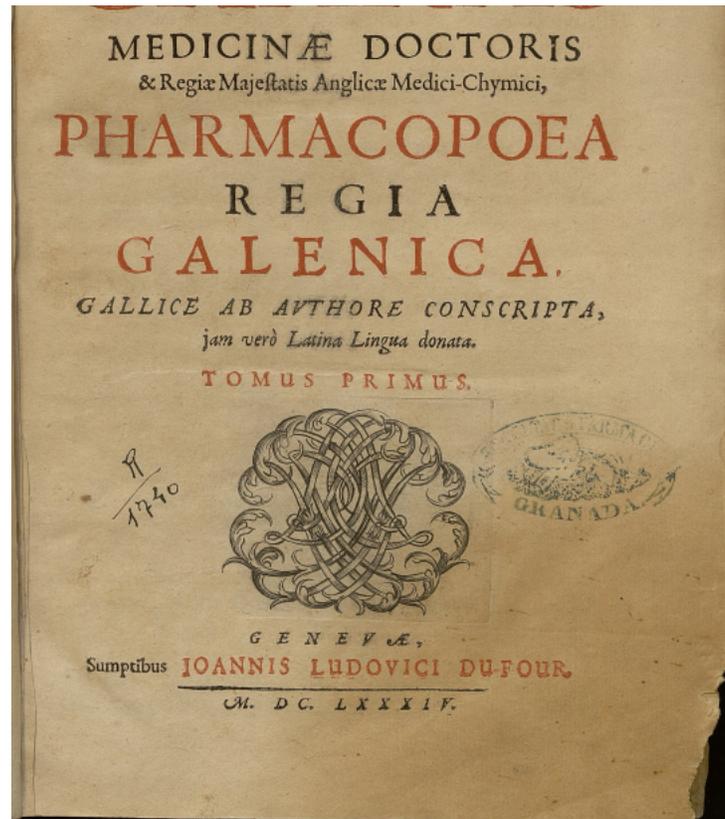

Reliqua vero, quæ cum Mesuæ operibus exire solent, in aliud volumen coniecimus, quod nomine  
Supplementi in MESVEN inscriptum est.

Quæ omnia accuratissime hac postrema editione prodeunt emendata, & ab innumeris mendis, & erroribus  
quæ in superiori irreperant, a iudicio doctorum hominum industria expurgata.

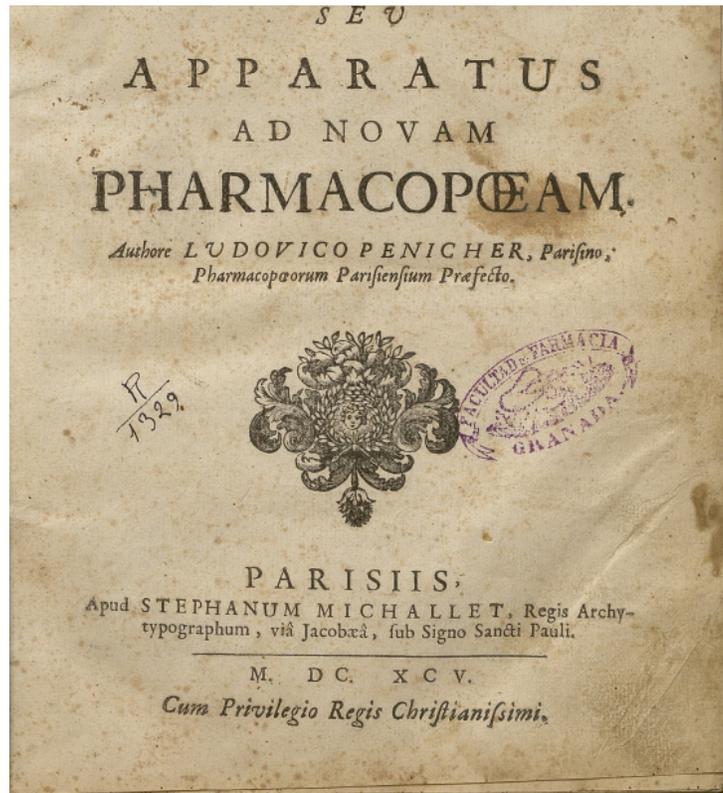

VENETIIS, MDCII.
